Il y a de in addition to apps to watch TV shows or free movies online, without having to download anything. One of them is TVZion, which offers an offer similar to the others but also adds anime. An offer consisting of cinema, TV series and anime With a very simple interface, the user can explore different different than vous pouvez and trouver. Il retrouvera le cinéma classé par catégories et toutes les saisons et épisodes de vos séries préférées. Il suffit d'y accéder et de toucher le bouton pour beginr la lecture dans la même application. Et, comme nous avons dit, l'anime fait aussi partie du menu de fa-on que si vous êtes amateur des séries jassses desssin animés, sur cette application vous avez le choix. Le meilleur avantage de cette appli est son prix, mais vous n'allez pas non plus trouver de sous-titres ; tout est en version originale. N'attendez pas non plus une qualité d'image 1080p, Full HD, 4K ni rien du genre et, évidemment, de la stabilité des services légaux de télévision a la carte comme netflix HBO, encore moins. TVZionTVZion – An application to stream them to all the best streaming app out there. Features only in TVZionTVZion home The TVZion house with a fully customizable collection of sections (genres, years, new in HD, etc.) each of which scrolls endlessly and expands to a full screen list when clicked, gives you everything you need at your fingertips. Seamless Trakt: The Trends sections, lists of which Zion integrates seamlessly with Trakt.tv help you pick up where you went. You can access your personal Trakt collection, watch list, history, lists, taste lists through Zion's Trakt browser.
